* Unit: cm (weight: kg)

* Please refer to the measurement place diagram and list on our website for measuring points.

* Notation size is a guide, please try on when purchasing.

* Please note that this size chart differ from our just-in-value size.

* Please specify Neck, wrist and boots size (or socks size) when order. Those can be customized at free of charge only at the time of order.

The size of the boots is available from 23 cm to 30cm with 1cm increment. Those will be our standard size shown in the table if there is no designation of the size when order.

* Custom size order is also available in case if our standard sizes shown in the size chart will not fit. Please contact us for price and delivery.

Please note that there is a case that we can not manufacture custom size order depending on your size.
